

ARTICULATE® STUDIO 360 TRAINING SYLLABUS

Held in our virtual classroom, this interactive, comprehensive eight-session course provides everything you need to create compelling e-learning with Articulate® Studio 360.

BASIC STUDIO 360, SESSIONS 1 AND 2

This 2-session virtual training provides everything you need to use Studio 360 to quickly and easily design and develop effective e-learning presentations that can be published and delivered to meet a variety of needs and play on a variety of devices.

STUDIO 360 INTERACTIONS, SESSIONS 3 AND 4

This 2-session virtual training is designed for those who have already attended the Basic Articulate® Studio 360 training, or have mastered those skills. We will explore the interactive options in Studio 360 that will help take your courses to the next level.

ARTICULATE® 360, SESSIONS 5 AND 6

Our 2-session virtual instruction is dedicated to all things Articulate® 360. You'll learn and build complete modules using Rise 360, as well as supplement these modules with additional content using the Articulate® 360 tools - Content Library 360, Peek 360, and Replay 360.

For more information please see the syllabus at the following link: [Articulate 360 Training](#).

PARTICIPANTS

Training sessions are designed for a variety of skill levels. All participants should have basic computer skills and familiarity with some of the more common user interfaces (such as ribbon technology and browser windows). PowerPoint proficiency is beneficial.

Participants will be joining the session with GoToWebinar. Please visit <https://support.logmeininc.com/gotowebinar/system-check-attendee> in order to test your system compatibility prior to the session. Microphones will be muted throughout the session, but questions can be asked via the question pod in GoToWebinar.

DURATION

12 hours of live instruction, divided into six sessions, 2 hours each session. Application exercises are assigned as homework at the end of each session and online solution sets are provided.
