

# ARTICULATE® 360 TRAINING SYLLABUS

Articulate® 360 Training is dedicated to all things Articulate 360. You'll learn and build complete modules using Rise 360, as well as supplement these modules with additional content using the Articulate® 360 tools - Content Library 360, Peek 360, and Replay 360. You'll learn which tool to use when, and walk away with a deeper understanding of the award-winning Articulate® suite of tools.

## PARTICIPANTS

Training sessions are designed for a variety of skill levels. All participants should have basic computer skills and familiarity with some of the more common user interfaces (such as ribbon technology and browser windows). All 4 days of training are interactive and hands-on. Therefore, **participants are required to bring a PC (or Mac with Windows®) with Articulate® 360 installed and active.**

## SYSTEM REQUIREMENTS

### HARDWARE:

- 2.0 GHz processor or higher (32-bit or 64-bit)
- 2 GB minimum memory
- 1 GB minimum available disk space
- 1,280 x 800 screen resolution or higher display
